

RT-C ISD New Procedure for return to school effective December 4, 2020 (based on updated CDC and TEA guidelines)

1. Testing on day 5-7 from initial exposure with negative test results **AND**
2. Symptom free for the entire quarantine period **OR**
3. 10 days in quarantine symptom free

RT-C has limited tests available. Please call and make an appointment for testing before coming to the school if you wish to have your child tested. For other testing options please see the following link:

Please bring a copy of your negative test results with you upon return to school.

In addition to these sites, Blinn in Brenham is giving free tests today, Friday December 4 on a first come first serve basis. I would encourage students who are in grades 2 and 6 to take advantage of this event.

Students in grades 4 and 5 are not eligible for testing under these guidelines until Saturday. We are attempting to obtain more tests and will let everyone know when and if they become available.
