July 1, 2020

Dear Parent/Guardian,

Round Top-Carmine ISD is in the process of making plans to safely re-open school at all grade levels on August 19, 2020. There will be more specific information available to parents, guardians and the community the week of July 20. Please be assured that the safety of the students and their families, as well as the community and the staff, is being taken very seriously as we develop guidelines and protocols for return to in-person classes.

At this time, students will need to bring the following items in addition to the items on the [school supply list](#): mask for personal use, a personal hand sanitizer for those students sensitive to commercial brands, and a plastic water bottle *labeled with the student's name*.

In the event of a mandated or recommended campus closure, digital education will be provided. Students are encouraged to obtain internet access or find an accessible internet location if possible. The district is planning to provide each student with a Chromebook for home use should digital learning become necessary.

Please make sure you are signed up for [Ms. Schoen's Remind 101](#) and Mrs. [Kuecker's High School](#) or [Junior High Remind 101](#) for updates. Check the school website at [www.rtcisd.net](http://www.rtcisd.net) frequently for updates as well.

Be Safe and Stay Well,

Brandon Schovajsa, Superintendent
