February 23, 2021

Dear parent or guardian:

25 Texas Administrative Code 37.609 requires the Board of RT-C ISD to notify parents upon discontinuing the District policy on the maintenance, administration, and disposal of unassigned epinephrine auto-injectors. Effective February 23, 2021, the District will no longer permit authorized and trained individuals to administer unassigned (or stock) epinephrine or asthma medication. Medications belonging personally to a student will be administered according to their physician's instructions and their individualized health care plan.

Please be sure that your child has the necessary medications at school for their condition (i.e. epi-pens and asthma inhalers) along with signed physician orders for their administration.

If you have any questions regarding this notice, please Linda McCulloch, RN at 979-249-3200.

Sincerely,

Brandon Schovajsja, Superintendent
