September 7, 2021

Dear Parent/Guardian,

We are notifying facility staff and students that we received notification today that a student on the high school campus has tested positive for COVID-19. The individual was last present on the campus on September 7, 2021. Out of an abundance of caution, students and/or staff who have had close contact with the positive individual should monitor closely for symptoms of COVID and report signs of illness to school health staff.

Due to privacy requirements, we will not release the name of the individual or details that may identify him or her, but close contacts have been notified of their risk.

We are working closely with the local health department on this matter. In addition, extra sanitation/cleaning measures have been implemented.

If you believe you or your student had close contact with a COVID-19 positive individual at any time, or you or your student exhibit symptoms of COVID-19, please let the school nurse, Linda McCulloch, and your primary physician, know. You may reach Ms. McCulloch at 979-249-3200 or email her at

Symptoms of COVID-19 including the following:

- Feeling feverish or temperature greater than or equal to 100.0 degrees Fahrenheit
- Loss of taste or smell
- Cough, shortness of breath or difficulty breathing
- Fatigue
- Headache
- Chills, shaking or exaggerated shivering
- Sore throat, congestion or runny nose
- Significant muscle pain or ache
- Diarrhea, nausea or vomiting

Round Top-Carmine ISD is continuing to monitor this situation and will provide additional information as needed. We hope for a successful recovery for our RT-C student and remind everyone of the importance following CDC guidelines, social distancing and frequent hand washing.

If you have any questions or concerns, please contact me at 979-249-3200 or [bschovajsa@rtcisd.net](mailto:bschovajsa@rtcisd.net).

Sincerely,

Brandon Schovajsa, Superintendent
