Dear Parent/Guardian:

The school directory is available as public information and may be requested by private individuals and/or business entities. We receive very few requests for directory information from business entities, but frequently receive requests from other parents for contact information.

You have the option of removing your phone and/or address from the directory. Listing your information will benefit other parents and community members who need to reach you regarding school related, and occasionally, personal matters such as birthday parties, sleepovers, room mother assignments, etc. Removing your information will exclude you from requests from business entities for marketing purposes and unwelcome requests for directory information from estranged family members and associates.

If you do not have a land line, your primary cell number would be listed in the directory.

Please indicate your preference below, and return this form to the elementary office.

Thank you,

Kate Schoen, Principal
Round Top Elementary
