

Facebook Permission

As principal, I am the sole administrator of our RTC Elementary Facebook page. I love to show off our teachers, students, and activities. I will never list students' names, however. If you wish to give permission for your child's picture to be on our Facebook page, please sign below.

Thank you!

Kate Schoen

I give permission for Ms. Schoen to post my child's picture, but not his/her name, on the school's Facebook page.
